Dear Mr. Bukahari

On behalf of the clients of Community Care – Thorold, I would like to take this opportunity to thank you for your donation of 140 of food. This donation of food enables us to place food on our shelves. Food security is our main program where individuals and families receive assistance with food items that stretch their fragile budgets.

We rely heavily on the generosity of others and your contribution is significant in the delivery of this program. Thanks once again,

Sincerely,
